

ASIIS Training Update!

June 14, 2005

Part 1 - ASIIS Training In Phoenix

Due to the VFC/ASIIS/TAPI trainings this summer, reduced attendance at our Phoenix training location, and due to some exciting changes we are implementing in September of 2005, we have revised the Phoenix ASIIS training schedule for the remainder of 2005.

ASIIS will offer training in Phoenix on the following dates the remainder of this year:

7/5; 7/12; 7/19; 7/26
8/16; 8/23
9/6; 9/13; **9/20**
10/4; 10/11; **10/18**
11/1; 11/8; **11/15**
12/6; 12/13; **12/20**

Beginning in September of 2005, ASIIS will offer advanced ASIIS training on the 3rd Tuesday of every month (indicated in bold font). The advanced training will expand on techniques such as reminder/recall, adult immunization, vaccine management and the Web Application, high risk, programs, and advanced report generation. On the first two Tuesdays of each month we will continue to offer beginning ASIIS training. We will continue this new training schedule into 2006. ASIIS training dates in Phoenix in 2006 are:

1/3, 1/10, and **1/17**
2/7, 2/14 and **2/21**
3/7, 3/14, and **3/21**
4/4, 4/11, and **4/18**
5/2, 5/9, and **5/16**
6/6, 6/13, and **6/20**
7/11, 7/18, and **7/25**
8/1, 8/8, and **8/15**
9/5, 9/12, and **9/19**
10/3, 10/10, and **10/17**
11/7, 11/14, and **11/21**
12/5, 12/12, and **12/9**

Part 2 - Regional ASIIS Training

ASIIS will offer regional training this summer approximately 2 - 4 weeks after each VFC/ASIIS/TAPI Learn at Lunch training session. As training sites are secured we will announce these training sessions via email, our News Notes section of the ASIIS web page, and publication in programmatic newsletters.

Feel free to pass this information on. Thank you!
